Class of 1991

Who we are

All of us are individuals who contribute important qualities that make our class unique. We are all involved in both academic and extra-curricular activities such as the Senior Class Play, the Math Team and many of the other activities offered to us. Many in the class of 1991 are either an artist, a worker or an athlete who work just as hard to achieve their goals. All of us get involved in our activities as a basis for our future plans. We are very sup-

portive and understanding of each other when it comes to any problems that a fellow class mate may have. We work together as a whole and have grown together over the last four years. We've had a special feeling for each other that we will never forget. We have become a unique group with our special talents and personalities that we will continue to use in our future.

EVER WHEN
WHAT 1910

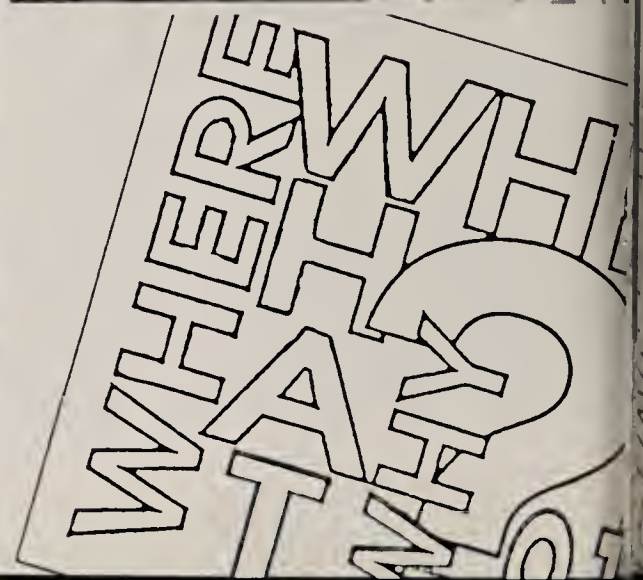

What are we?

We are ourselves, proud to be Wolverines. We lead exciting lives. During our high school years we are all busy with our own things. Some of us participate in sports such as; baseball, basketball, cheering, field hockey, football, golf, soccer, softball, tennis and track. Some prefer not to play sports, so they achieve their goals in groups or clubs such as; art, drama, english, foreign languages, foreign travel, math, music, national honor society, prom committees, S.A.D.D., science, senior class play, skiing, spirit, spring play, student council, ticket sellers, x-country skiing and the yearbook staff. Others are involved in activities outside of school such as;

dancing, drum corp, gymnastics, horsemanship, Junior Achievement, modeling, scouting, skating, water skiing and working. At this time, we are in the middle of a recession, some of us struggled to find a job, and those of us with jobs are doing our best to keep them. During our spare time we are striving to meet deadlines with college applications and scholarships. Realizing our high school days are almost over, some of us are confused about what we are doing. Some will start packing and before they know it they'll be in college. The time has rushed by, soon we will be out in the "real world."

Where we were

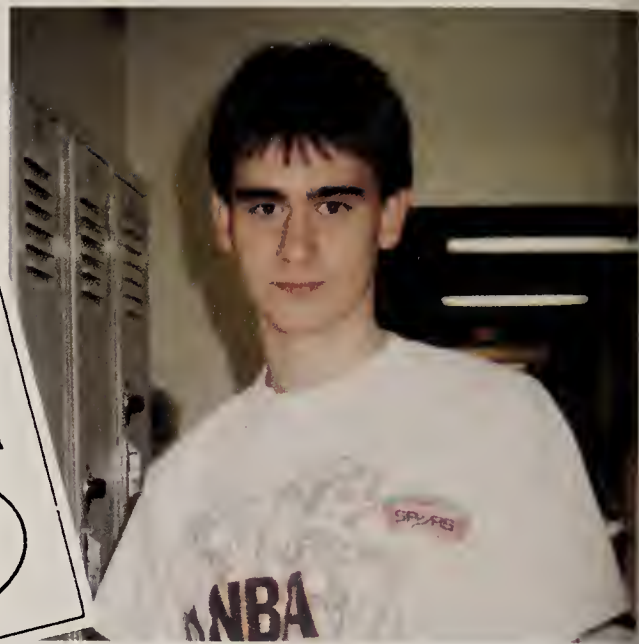

Leicester High School has been a place where we have been taught many lessons in academics and also socially. Inside of LHS we began finding new friendships with students as well as teachers. Here, we found new talents in athletics and academics. Over the past four years we found these talents and developed them, perhaps to continue with those talents in our future jobs. LHS had been

a place of fun and of hard work that will help us with whatever goals we want to achieve. Leicester High gives us a base that we can work with to build our future. It prepares us to go out into the working field or to move on to college. Leicester High School had been four years of our lives that we enjoyed and we made the most of it.

EVER WHEN
WHAT 1910

Why we were here

When we first walked into high school we had a mixture of feelings. We were scared, excited, and sighing because we had four more years to go. The time seemed so long but we knew that if we wanted to create a future for ourselves we had to continue with our education. The four years quickly went by and we developed many friendships that we will always cherish. We watched each other grow

and learn as we worked to get through the years. Now as we look back, we realize that we would not have wanted to give up our past for another. Our memories will recall our last four years as years of maturing and deciding our future plans. We have had many moments when we wished we could just give up, but in the end we discovered a lot of fulfilling memories.

Freshman Fears

As a freshman I experienced many fears; they included hoping I get my locker open so I wouldn't be late for class, or hoping I walk into the right class.

Other fears included whether or not I would catch the bus, what fool is going to pull down your shorts in gym class, and what seniors are going to cut you in the lunch line.

There was always a new group who cut in line with grins on their faces thinking to themselves, "excuse us but we are seniors-we are superior."

I always felt like I had this enormous sign on my back which read, "I'm just a little freshman-feel free to ignore my presence."

Sophomore Attitudes

As a sophomore walks into Leicester High School, they get a feeling of being an upperclassmen when in reality they are still eligible for the same treatment as freshmen but the only difference is that they are smarter. They have become used to the juniors and seniors cutting them in the lunch line and sophomores can walk into the bathroom and not be scared. They are used to the lunches changing, midterms and finals. Sophomores settle into sports and different groups and clubs. At the end of the year is when most sophomores actually can feel like an upperclassmen and look forward to their junior year.

Worst Experience In A Car

The worst thing that happened to me in a car occurred 3 days after I got my license. My friends & I were dressed even more unusually & freaky. It happened to be "idol day" at school and since we are extremely twisted & psychotic, we have warped people whom we admire. Dressed as a punk with loose morals, a vampire with a violent temper, a confused exchange student, and a Robert Smith look-alike, we just happened to get into a 3-car accident in full freak attire. Trying to explain to the cop that it wasn't my fault, that I was not on drugs, and that it was me on my driver's license was not a particularly good way to start my vacation or get over my fear of driving.

SPORTS

Year of Winners

The Wolverines of Leicester High surpassed all expectations with a 6-4 record for the 1990 season. They managed to upset teams such as Auburn, Northeast Regional and Millbury, under the guidance and leadership of team Captains Mark Wilson, Fran Hartnett and Bob Pingeton. Other outstanding players included Senior Chris Powers and

special team member Richard Raymond. Juniors Greg Karpowicz and Jim Mercier also made important contributions. The team finished the season with an impressive game, a victory over the Panthers of David Prouty in the annual Thanksgiving Day game 20-7 to bring the trophy home for another year.

A Winning Season

The Soccer Squad opened the 1990 season with a string of 5 wins, 0 losses; right away everybody knew it would be a good year. Everybody was right. When star defenseman Brian Anderson broke his wrist during a game, Captains Tom O'Neil, Sean Anderson, Patrick Brosnihan and Phil Dumas along with the rest of the team picked up the slack and finished the season with a record of 11-2-2, making

them the SWCL Champs. Most players agreed that the most memorable game was beating David Prouty under the lights. But the Leicester season wasn't over - because for the first time in five years they would go on to district play. In district play they lost to Auburn by a score of 3-2 in double overtime. But the Wolverines were happy with their overall performance this year.

Coming together

The 1991 Fall Cheering Squad was lead by Co-Captains Michelle St. Pierre and Julie Hare. Thanks to many very helpful people they were able to continue bringing enthusiasm and spirit to home games as well as away games. They had to work even harder due to the fact that their coach Mrs. Paradise had to work also. Volunteers such as Terry Chartier, Nancy Cunningham, Diane Rossetti, Mrs. Mul-

rain, Chris Priestly, Dawn, Pat Karpowicz, and the many others who helped us to get to the away games. Seniors who will be leaving are Julie Hare, Robyn Ivel, Anne Lessard, Sherry Mayer, and Michelle St. Pierre. The Junior Varsity Squad was led by Captain Nichole Laramme. The squad showed a lot of amazing ability and a great promise for the future.

Boys Basketball

This year's 11-8 Boys Basketball Team accomplished what no LHS Basketball Team had done in 4 years; they made it to the Districts. Seeded 9th, they went to Ayer High, where they were beaten by 1 point. For the second straight year the Wolverines were invited to play in the Clark Tournament, where it took second-ranked Southbridge 2 overtimes to put away the determined Wolverines. This

year's team was led by captains-Bob Pingeton, Sean Anderson, and Phil Dumas, while Marc Wilson and Pat Brosnihan were equal contributors in helping the Wolverines win their first Western Worcester County Tournament. This year's team accomplished many goals and with over 8 returning underclassmen, Coach Albro and the Wolverines should look forward to another successful season.

Girls Basketball

With the loss of 7 seniors and only two remaining varsity players this season was to be a rebuilding one. The only problem was that someone forgot to tell this to the Lady Wolverines. Mr. Walker stepped in as coach, optimistic that his girls would be able to hold their own. Our first game of the year was against North Brookfield, a team that we had trouble beating in the past. But not this year. Leicester convincingly won the game 56-52. This was only the beginning.

Lead by Karyn Ferdella, Emily Botis, Ann Marie Leroux, Sherry Mayer, Jen Connery, and Lynda Lareau, the lady wolverines compiled an 8-0 record until the battle of the "unbeaten" against Oxford. Although it was a hard fight, we lost, 40-58, leaving our record at 8-1 for the first half of the season. We again did not lose until the last game of the season against Oxford. Determined to avenge our previous loss, we went into the game with a positive attitude. Although we kept it close the first half, we were overpowered on the second half, losing 49-65.

The lady wolverines ended the regular season at 14-2 in the Southern Worcester County League and 16-2 overall. We went into the past season seeded first in the Western Worcester County League Tournament. Once again we had to face North Brookfield and handled them easily, 50-37. From there we moved to the finals of the tournament and beat Ware 47-44, the Lady Wolverines successfully avenged last year's second place finish to North Brookfield. Next came Division E District III play. Our first opponent, Groton Dunstable & St. Maries posed a tough challenge, but the lady wolverines triumphed winning 59-50 and 56-49 respectively and we were on our way to the semi-finals at WPI. We faced a very tough Lunenburg team and ended our season at 18-3. The Lady Wolverines were most successful, on and off the court. Mr. Walker says it best, "I've never coached a team that worked as hard, played together, or had as much success as this team, and I will especially miss the Seniors."

Showing Support

The 1991 winter cheering squad was led by seniors Julie Hare, Anne Lessard, and Michelle St. Pierre. Full of their spirit and pride, they supported the basketball teams through out

the season. They thought enthusiasm and vitality! Because they decided not to go to tournament, their season ended with the squad cheering at the district games.

Seniors- Anne Lessard, Julie Hare, Christine Cooper, Michelle St. Pierre.

Captains Anne Lessard, Julie Hare, Michelle St. Pierre.

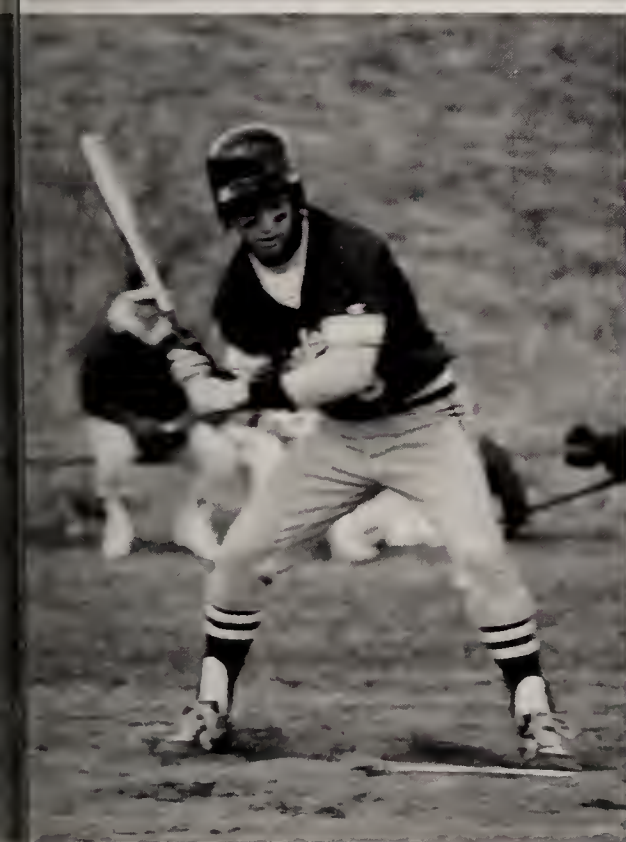

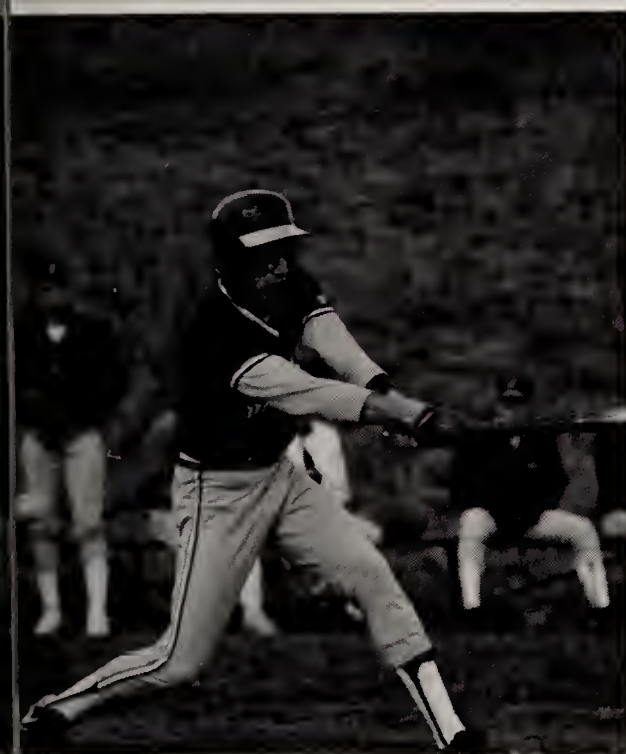

Baseball Revolutions

Captain Bob Pingeton and teammate Larry Spaulding were this year's only two returning seniors. This year's team had only 5 returning starters from last season, and had a rebuilding year. Bob Pingeton led the team with his pitching and was one of the teams leaders in batting with a .300 average most of the season. Larry Spaulding played 1st base and hit .350 since returning to action.

Returning juniors include Matt Simpson at shortstop, who led the

team with a .400 batting average, and Matt Keenan in center field. Greg Karpowicz had a fine year pitching, while Matt Kemp in left field also hitting well. Sophomore Mark LaPointe did the catching, while Jeff Stiles plays right field and hit .310.

Freshman Brad Dufres is playing solid at 2nd base, while Dave Soden is gaining valuable experience as a role player. Jason Brunett has returned to the team after a month-long hip injury.

Building a future

The girl's softball team of 1991 can safely be described as "A Rebuilding One". After winning the SWCL last year and taking part in District play the past two years, the Wolverines felt the loss of seven graduating seniors. The future could be bright in 1992, as this year's crop of young

talent gain experience. This year's tri-captains are Denise Goodnow, Jen Connery, and Emily Bottis. Rounding out the squad are Chris Verick, Heather Griffin, Nancy Bachand, Gina Genatossio, Tara Anderson, Laura Di-Centes, Jamie Dorr, Jess Hagglund, and Ashley Hartness.

Miles ahead of the rest

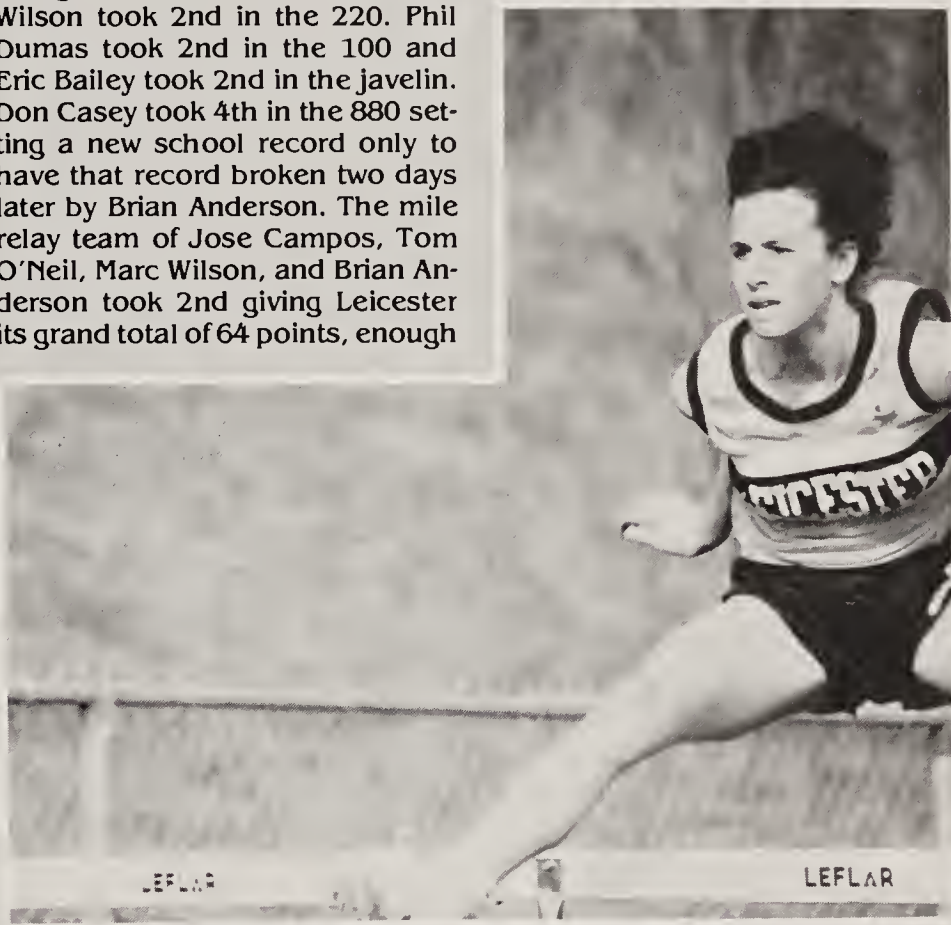

The 1991 boys' track team finished the season with the 4th consecutive winning record. The team led by captain Tom O'Neil, Marc Wilson, Dean Desautel and Phil Dumas ended the regular season play with a record of 6 and 5. They filled the largest team in Leicester's track history; 33 players, 10 seniors, 8 juniors, 6 sophomores, and 9 freshmen. Twenty-seven of them scored in dual meets.

The season's major highlight was recorded on Saturday May 11th as seven members of the team scored enough points at the district meet to take the championship. Brian Anderson won the triple jump and took 2nd in the mile. Tom O'Neil won the 2 mile, shattering the old school record. Marc Wilson took 2nd in the 220. Phil Dumas took 2nd in the 100 and Eric Bailey took 2nd in the javelin. Don Casey took 4th in the 880 setting a new school record only to have that record broken two days later by Brian Anderson. The mile relay team of Jose Campos, Tom O'Neil, Marc Wilson, and Brian Anderson took 2nd giving Leicester its grand total of 64 points, enough

to defeat 18 other schools in the competition.

The girls' track team had a successful season. Many team members were competing for the first season.

Seniors Lynda Lareau, Chris Cooper, and Tina Lawton gave continuous good showings. Juniors Jodi Whitcomb and Kelly Hartnett improved in all their events. Karyn Ferdella set a new record in the 330 low hurdles. We had a strong freshman contingent, Veronica Salas, Jessica McGowan, Thereasa Trepasso, and Amy Corley, who worked hard learning a variety of events. All team members scored points during the season.

Getting into the swing

The team spirit rose once again in our golf team, which played a wonderful year.

Pat Brosnihan, Jeff Zmayefski, Dan Doyle, and Dan Kobel played in the Individual Districts at Green Hill Park, on May 28. Of the many fine players who participated in this event, Pat Brosnihan qualified for the State Championships.

Due to the team's magnificent show and use of talent, they played at Gardner Country Club, in the Team Districts on June 6, becoming finalists and later to play in the State Team Championships.

The team ended their season by taking 9th place in the State Team Championships.

Match Point

The Leicester High tennis team, three years ago had an all-senior team, and no team last year due to budget constraints. So the team this year had little or no high school tennis experience. Several of the players did not know how to keep score.

Despite their lack of experience, first-year players Bob Stiles, Bryan and Keith Plamondon, Jim Allen, Brian Kokemak, Rob Latino, Sean McNamara, and Keith Hasselstrom, having won at least one match each.

The girls' tennis team had a successful year. Senior captain Ann Marie Leroux, had a good season. The other singles players, Meg McArdle and Nicole Jyringi, did a good job also. First doubles, Jeannine Ducharme and Heather Lundin, have been a bright spot for the team. The second doubles, Jen Cunningham and Kristin Langlois, improved greatly since last year. Alternates Katie Shepard, Tammy Tebo, and Robyn Lekstrom have a promising future.

Athletic Awards

The Leicester High Athletic Awards banquet was again this year a great success. As always the food was delicious and plentiful. Some of the highlights of the night were the awards given.

The following is only a partial list: District E Athletic Directors Awards were given to Ann Marie Leroux and Marc Wilson. Chosen as having contributed most to athletics were Lynda Breau and Robert Pingeton. The Student Athlete Awards were given to Ann Marie Leroux and Philip Dumas. Chosen as the Wolverine of the Year was Thomas O'Neil.

Shining stars

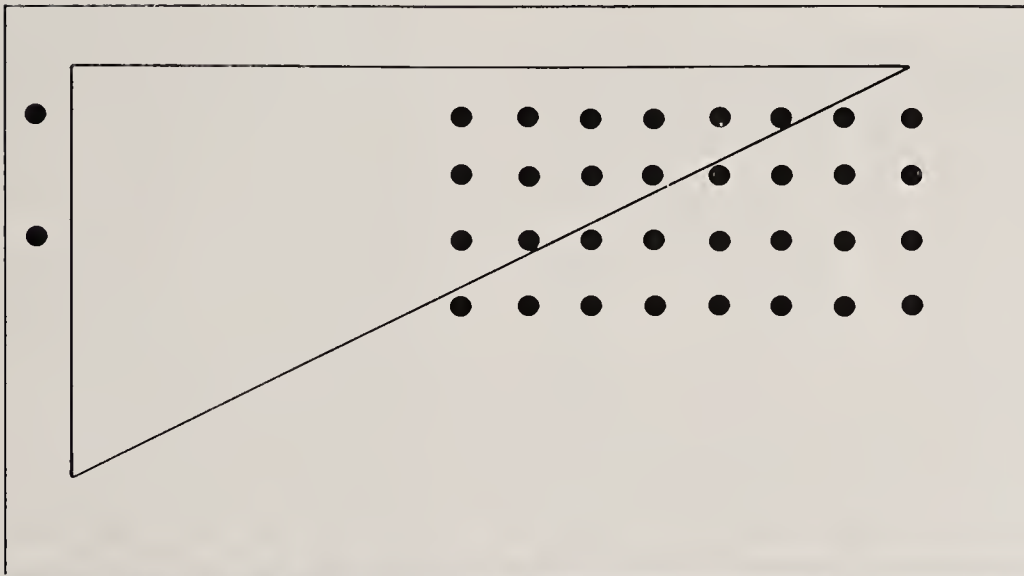

The 1990 field hockey team, co-captained by Emily Bottis and Lynda Lareau, managed to qualify for the district tournament despite a slow start. The season was highlighted by a first-round district victory of 5-0 against Murdock. In the second round, the girls played a strongly favored Quabbin team only to lose in a second overtime 2-1. Overall, the girls had a fantastic season and are looking forward to next year. The team will greatly miss the significant contributions of seniors Ann Marie Leroux, Lynda Lereau, Erin Messier, and Heather Griffin.

GROUPS

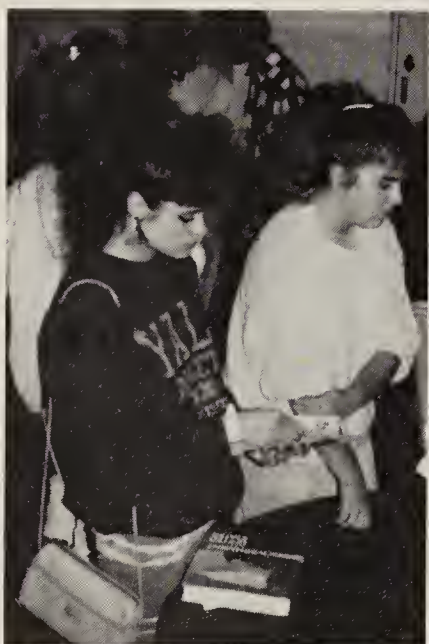

Anticipation

The cafeteria was filled with an atmosphere of confusion as everyone gathered impatiently around Mr. Walker. We all had been waiting anxiously for the day the Junior Prom pictures would arrive. That day finally ended our wait.

As the pictures were being distributed, the mass of confusion then lead to cheers with people shouting "Let me see" as each one

of us passed around our pictures, expressions ranged from happy to sad, joy to despair.

After the distribution came to a conclusion, everyone had reestablished order. Happy or sad, joy or despair, we all knew that in our hands held the picture portfolio that holds our Junior Prom memories.

More Than Words

As the sun shone on each and every one of us, we prepared ourselves for our last formal dance together. We gathered at the Spencer Country Inn gawking at each other, sharing compliments and admiring everyone else. We sat down for a Chicken Cacciatore dinner while we chatted away. Before the plates were even cleared away, everyone seemed to be up on the dance

floor having a good time. You could tell that the evening was ending when the dj played "More Than Words . . ." by Extreme. Every couple knew they would soon be leaving this dance or any dance for the last time. Eleven o'clock quickly came and slowly we all began to leave, thinking to ourselves that this dance was more than words

"A Night In Heaven"

On May 4th, 1990 we all gathered together at Strawberry Hills Country Club for our Junior Prom. The room, beautifully decorated in blue, purple, and silver, held some of our most special moments. These moments are now shared as memories that will always be cherished with our friends.

The evening began with dinner which included an Italian buffet followed by music provided by a DJ. The highlight of the evening came when the judges voted for King and Queen

and their courts. Heather Griffin was Queen while Tricia Sweeney, Nga Nguyen, Erin Messier, and Sandie Day served as court. Patrick Brosnihan was King while Tom O'Neil, Dan Doyle, Jesse Rodrique, and Eric Brunette served as court.

The class of 1991 experienced the happiness of our "Night In Heaven" and although time has taken away those special moments, they will always be remembered.

Battle of the Classes

The 1991 Olympic Foolery was held on the Friday before February vacation. The whole school population gathered in the gym for the annual games. Each grade had a team of twenty, ten boys and ten girls. The first event was to blow a ping-pong across the floor followed by a race in which contestants had to hold a balloon between their legs. Next a boy and girl paired up for the wheel-barrow races, which was followed by the pie eating contest. In the pie eating contest, Fran Hartnett came in first for the seniors, juniors came in second,

sophomores in third and freshmen in fourth. This year a new event was added. Each class lined up by boy-girl and we had to pass a softball under our chins to the next person without using hands. The grand finale was the tug of war. Each class had a boy A team and a boy B team along with a girl A team and a girl B team. Each team did everything they could to become the winner. In the end the seniors came in first, juniors second, sophomores third, and freshman in fourth. Once again seniors dominated.

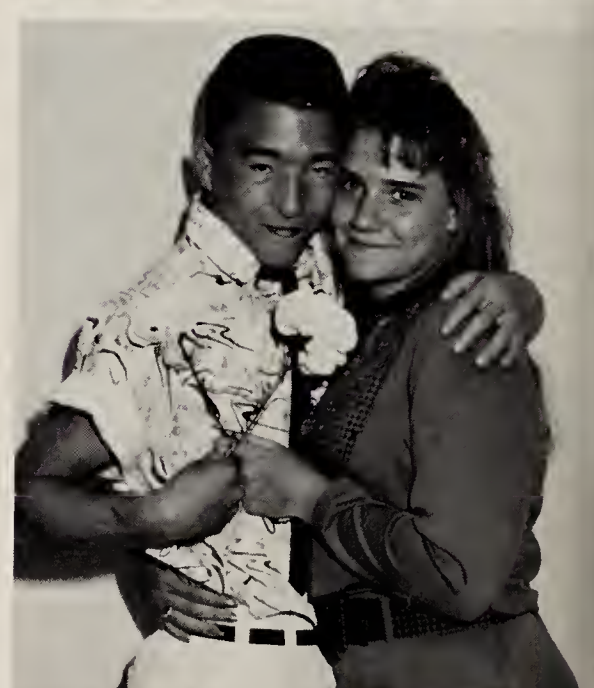

Senior Class Play

The Leicester High Senior class rendition of the Wizard of Oz became a reality on opening night, March 13, 1991. The show was a huge success with Christina Pitzen starring as Dorothy assisted by Alan Robertson as the scarecrow, Jesse Rodrique as the tin man, James Allen as the cowardly lion and Steven Woodman as the Wizard of Oz. Other cast members were Julie Hare as Aunt Em, Eric Brunett and Ken Mars as Uncle Henry and Kristin Ezold as the Wicked Witch of the West. Also in the play were Melissa Darling, Sandie Day, Susan Bowater, Michelle St. Pierre, Katrina

Brown, Robyn Ivel, Fran Hartnet, Jim Southard, Nga Nguyen, Erin Messier, Denise Goodnow, Christine Cooper, Jenn White, Celeste Allen, Lynda Learu, and of course Chris Menard as the Yellow Brick Road. The back stage crew consisted of Ann Marie Leroux, Rich Gramatic, Dean Desatels, Larry Spaulding, Kristie Faucher, Bonnie MacIntosh, Tina Lawton, Michelle Di-Centes, and Julie Hare on lights. All performed under the leadership of Mrs. Nancy Dutton who without her long hard hours of dedication and help this performance could not have been as big a success.

Togetherness

At eight o'clock on May 20th the entire senior class piled into two buses for the two hour ride to the Frank Davis Resort. On the way we anxiously chit chatted and joked, wondering where exactly we were going. The sign soon appeared officially telling us we were there. We piled off the buses and prepared ourselves for a day in the sun. We gathered around Cuckoo for the rules and then we were on our way. Some of us headed for the pool, others to the lake, and some of us explored the grounds. We could play horseshoes, shuffle board, volleyball, basketball, tennis, baseball or ride in the paddle boats or canoes. We had a canoe race, a swimming race, and field events that consisted of the wheelbarrow race, balloon toss, sack race and the tug-of-war. Lunch was

served at twelve o'clock with hot dogs, hamburgers and french fries. We dispersed and played some more games. Many of us seemed to have gathered around the pool while some of our classmates either dove off the diving board, watched through the underground windows or just laid out in the sun. Once again we were called to the eating area for supper which was different types of chicken. Finally the dance contest was held in the hall. Couples got up on the dance floor to out do one another. Marc Wilson and Robin Baker took first place with no problem. We all got up to dance until six thirty came around and once again we piled into the buses — this time for a relaxing ride home.

Freshman & Sophomore Semi-formal

Saturday evening March 9, 1991 will be remembered by many Freshman and Sophomores for years to come. The event was held in the Leicester High Cafeteria at 7:00 p.m. and pictures taken until 7:30 p.m. The Cafeteria was successfully decorated by volunteer students and teachers. A lot of time was put into decorations and we couldn't have done it without Mrs. Shannon, the Sophomore class advisor and Miss. O'Loughlen, the freshman class advisor. Friday and Saturday was spent with finishing touches

of Aqua green and purple streamers, balloons, tables, center pieces, and music. Freshman and Sophomores danced to the music performed by Scott Bates and Marc Tomasevich. Over 100 students attended this event, which was set up to break the winter blues, and that is exactly what it did. Some arrived in limousines, while others arrived in their parents' cars. Everyone who attended would have agreed it was a wonderful and exhilarating night.

A Seasonal Art

The theme for this year's Art Show held on May 21 was "Seasons". Students from the art, clothing, metals, and Industrial Art Departments worked industriously throughout the year to display their best for this one day event.

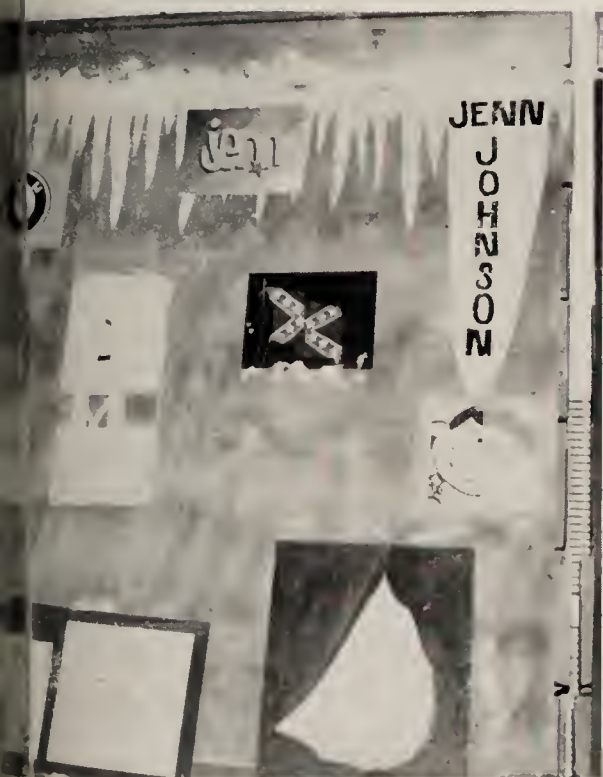

The art show presents each student's uniqueness and individuality with the incorporation of the theme which always results in another magnificent show. This year the students developed one of the four seasons

into their display.

The students display of drawings, paintings, pottery work, clothes, stuffed animals, quilts, hair accessories, desks, gun cabinets, end tables, hutches, engines and automotive parts are the end result of long preparation and deep devotions to the arts at Leicester High School.

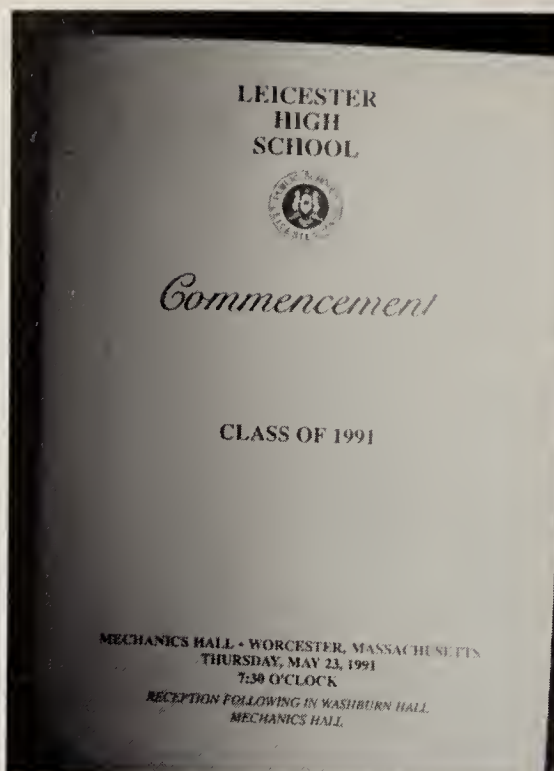

Our extended thanks goes out specifically to those whose support and guidance give inspiration to our work.

An Official Goodbye Graduation

May 23rd quickly came upon us as we prepared ourselves for the march we had done once before, only this time we were being viewed by our family and friends as we took our last steps as high school students. We marched to "Pomp and Circumstance". Mrs. Cynthia Lapointe sang the national anthem and we were seated. Reverend Allen Tadgell gave the Invocation, Ann Marie Leroux gave the Salutatory address and James Allen gave the Class Oration. Rebecca Makara played the flute while Donna Fiore accompanied her as they played "Suite In A Minor". Katrina Brown stood and gave the Valedictory Address and for the last time we sang "Through The Years". This time it hit the heart harder. Dr. Norman Limoges gave the address to the graduates and then he and Mr. James O'Donnell gave the awards and scholarships. Once that suspense was over Mr. O'Donnell along with Mrs. Katherine LaPlante and Mr. Lawrence Spaulding awarded the diplomas. A moment many of us have tried to picture in our minds for the past four years. With pride and happiness we stood for the LHS Alma Mater and also heard Reverend Peter White give the Benediction. "Festival Prelude" began to play and we filed off the stage, now graduates of Leicester High School, prepared for the world ahead of us. We gathered in Washburn Hall so that we could congratulate each other and shed some more tears. We had to deal with the fact we now had to move onward. We all want to, but we will always remember LHS for the good times and laughter or the struggles that we had to go through. Things would never be the same.

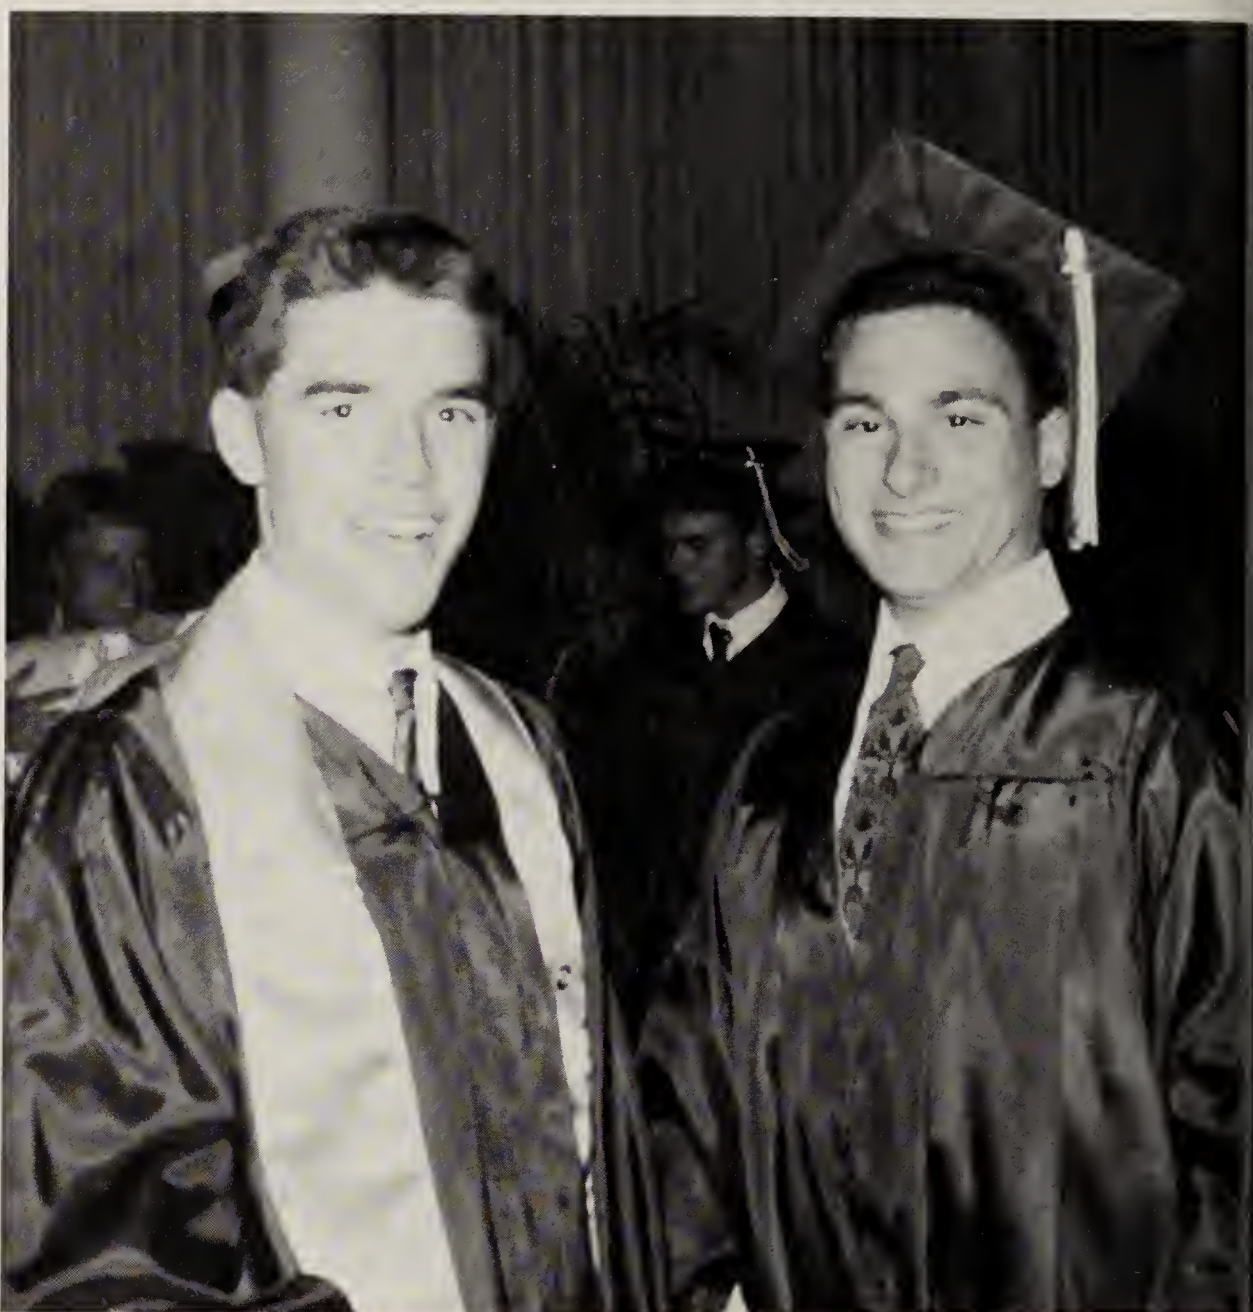

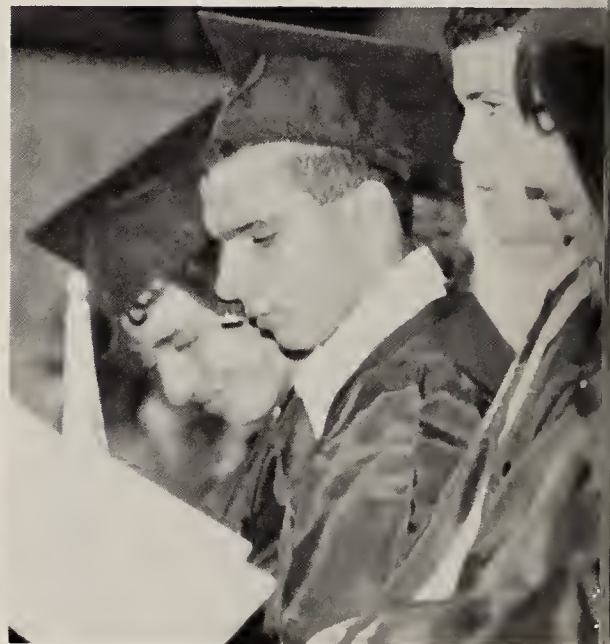

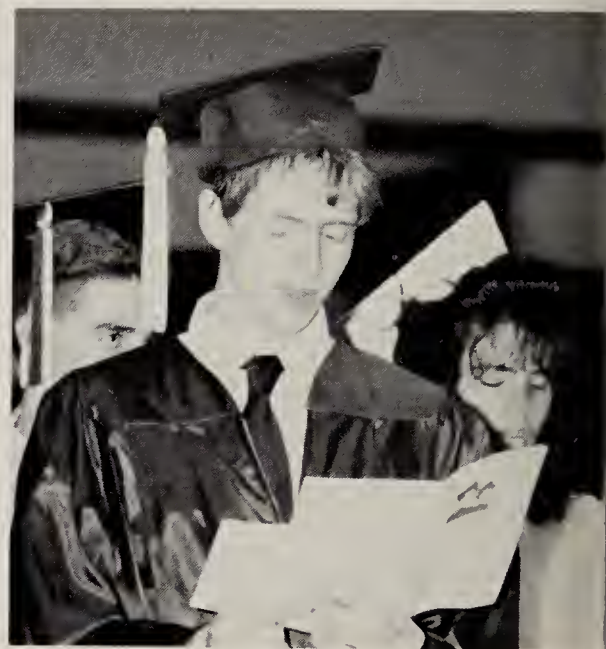

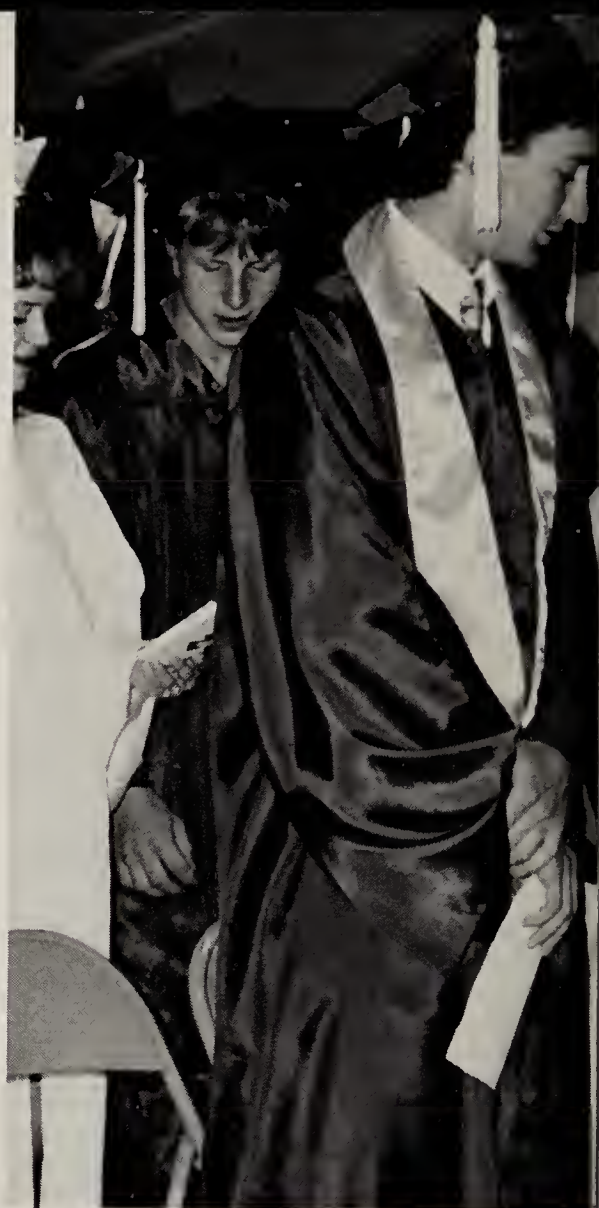

"Knowledge Itself Is Power"

Class Day -

On May 22, 1991 the senior class lined up outside the school to begin the march into the gym. This was the day many of us had watched before, wondering when it would be our turn — today was our turn. For two days we had been trying to get used to the routine and hopefully today we were ready. "Pomp and Circumstance" began to play and each of us eagerly awaited our turn to walk under the arches. We sat down and stared at the remaining students and teachers at LHS and also our parents. Phil Dumas welcomed everyone, James Allen, Julie Hare, Nga Nguyen and Christina Pitzen read the class history as each of us sat and remembered. Awards were given to Nga Nguyen for Art, Becky Dryden in Business, Ann Marie Leroux for English, James Allen for foreign language, Katrina Brown for Math, Pierre Broullard in Industrial Arts, Katrina Brown for Science and Tom O'Neil in Social Studies and Dean Desautel received the ROTC Award. This year twenty-five students received the President's Academic Fitness Award. Katrina Brown and Ann Marie Leroux received the Tandy

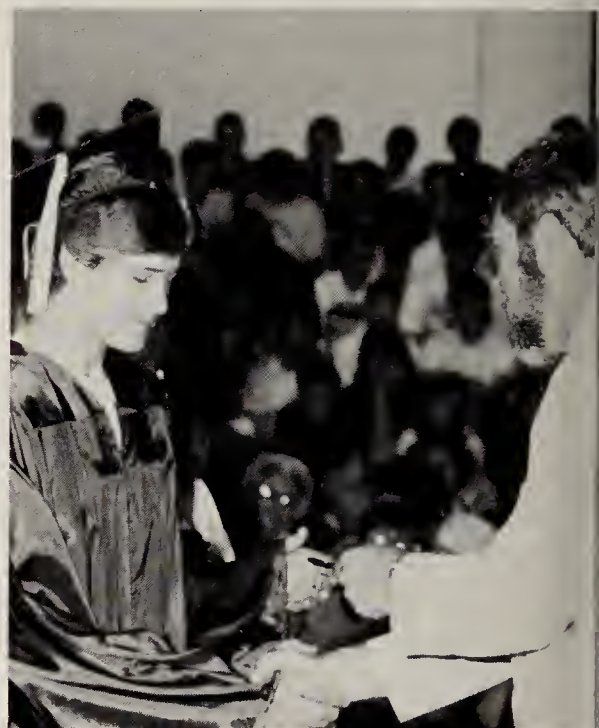

Scholar Awards and Lynda Lareau, Julie Hare and Tom O'Neil received the All American Award. The boy and girl contributing the most to the class was Phil Dumas and Julie Hare. Mr. Walker gave out the superlatives followed by Marc Wilson and Kristin Ezold who read the class prophecy as we laughed along. Becky Dryden, Melissa Darling and Sandy Day read the class will. The gift to the school was a trophy case built by the senior boys in wood and five hundred dollars toward a computer. We stood and sang our class song "Through the Years" as we remembered all of the ups and downs that we had shared together. Julie Hare read the dedication of the yearbook which is dedicated to all of the men and women who served in the Gulf War, especially the men and women from Leicester. Mrs. Provost, representing her son Rob and the rest of Leicester's vets, accepted the award. We once again sang together, this time the LHS Alma Mater and finally we marched out leaving the school with memories that will last forever in our hearts.

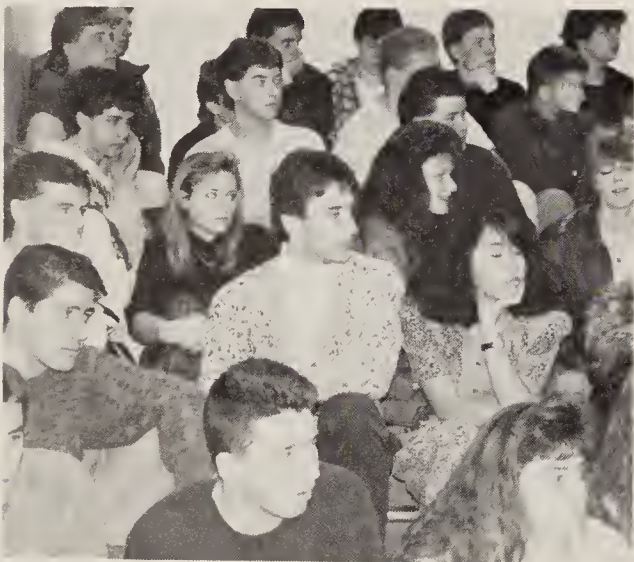

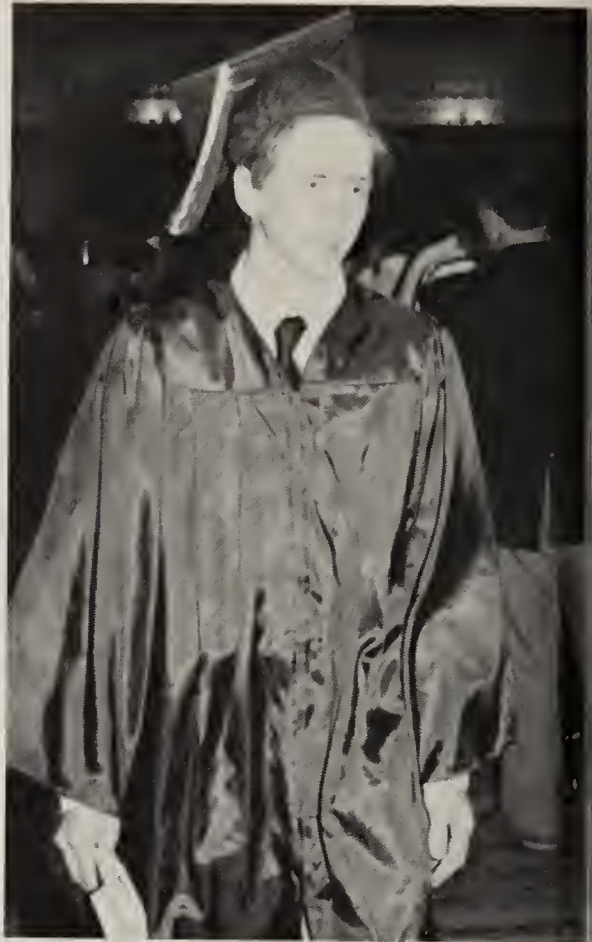

WHEEL TAYLOR 1987 CHAMPION

The year 1991 was a year of earth shaking events. We watched in amazement and confusion as a war began half way around the world. That war would take former students of L.H.S. and faculty away from home and loved ones.

We watched our friends leave for a far away place and wondered if they would return. It is to all the men and women who served in the Gulf Crisis and especially the men from Leicester who served that we dedicate the 1991 Maroon.

The 1991 yearbook is a unique creation representing a unique group of people. It is the result of long hours after school, over the summer, and during school by a small group working for the common good. There are many who have given what they can, but some I would like to mention are; Julie Hare-Editor Becky Dryden, Sandy Day, and Mellissa Darling Editorial Staff Jennifer Johnson (for keeping us all laughing) and thanks Nga Nguyen a special thanks to Beverly Keenan for typing and to junior typists Wendy True and Christine Foley.
